## Greenwood Night at the Old Log

The Old Log Theater is hosting "Greenwood Night" at 8 PM on Friday January 14, 2011. The show is *Jeeves in Bloom* and the cost is only \$18 — an \$11 discount from the regular price. Just mention "Greenwood Night" when you call the theater at 952.474.5951 to make your reservation. Invite your family, friends, and neighbors. This is a great opportunity to share the tradition of this beloved Greenwood landmark.

## DNR to Approve St. Alban's Bay Milfoil Treatment

On December 8, 2010 the DNR released a report stating they will approve milfoil treatment for St. Alban's Bay in 2011. You may view the report on the city website. Bay Captain Rob Roy will be contacting residents to raise funds for this important project. If you have questions, contact Rob at [lrobroy@msn.com](mailto:lrobroy@msn.com) or 952.474.3774.

**Milfoil updates will be sent to city email subscribers. See below for details on how to sign up.**

## Sign Up to Receive City Emails

Go to [www.greenwoodmn.com](http://www.greenwoodmn.com) and click on "Greenwood Email List" to subscribe to the city email system. Once activated, you will receive monthly council agendas and minutes, as well as other items of community interest. This new system is private and much more reliable than the old group email system. You also may unsubscribe at anytime.

## Did You Know?

### Christmas and yard lights must be turned off by 11:00 PM

Greenwood ordinance code section 1140.60 limits the illumination of flood-lights, spotlights, and decorative lighting after 11:00 PM. Please be respectful of your neighbors and turn off your lights.

### Trail Plowing

This winter the LRT trail will be plowed the full width on a trial basis. The idea is to see if the trail is less icy for walkers due to better drainage. And since the trail is the lowest priority on the plowing list, cross-country skiers still can enjoy using the trail after a fresh snow.

### Winter Parking

After a snowfall, please do not park on the street until the roads have been plowed edge to edge. If the snow plow has to make a second trip it costs the city twice as much to clear the streets!

### Gardener Opportunity

Regina Bren will be moving from the city, so the flowers she has been tending by the Greenwood sign on Manor Road will need a new gardener. Please call city hall if you are interested in volunteering your green thumb. Thank you Regina!

## Sewer Fee Reduced

### Water efficiency encouraged for further reductions

The Met Council mandated inflow and infiltration project is nearly complete, so the city council reduced the sewer fee from \$75 to \$70 per sanitary unit beginning January 2011. Further reductions are possible if we improve water efficiency. Since the Met Council charges the city based on total wastewater volume, anything we can do to cut down on water usage will save us all money and help the environment by reducing the amount of wastewater to be treated. Please make sure your sump pump is not going down a drain. Fix leaky faucets and toilets. Even turning off water while brushing teeth will help.

## WANTED

### PLANNING COMMISSIONERS

The terms of three planning commission seats expire in 2011. The planning commission makes recommendations to the council regarding zoning, variances, and more. If you are interested in serving on the commission, please complete an application (available online or at city hall). The council will make appointments at the March 1 city council meeting.

### 2011-12 Dog Tags

Dogs are required to be licensed in the city. Get new tags at city hall or download the application at [www.greenwoodmn.com](http://www.greenwoodmn.com) to complete the process by mail.

## Mayor's Corner

Greenwood Quarterly WINTER 2010-11  
[www.greenwoodmn.com](http://www.greenwoodmn.com)

*Happy Holidays! As I look back on the past year, I am impressed with all our council has accomplished. Here is a sampling of what we have been working on the last quarter ...*

- Approved the final 2011 budget that includes a -3.13% reduction in the tax levy.
- Completed the code book project. View it on the city website or purchase your own printed copy for \$55 at city hall.
- Coordinated successful meetings with the DNR and government officials to gain approval of St. Alban's bay-wide milfoil treatment in 2011 (see article in this newsletter).
- Applied for a Met Council grant to receive \$50,000 for sewer projects.
- Conducted a community survey regarding TV, internet, and phone services. Thank you to all who responded. View results online or at city hall.

*I hope you and your friends and family will join me for Greenwood Night at the Old Log Theater on Friday, January 14 (see details in this newsletter).*

Have a great New Year! — Mayor Deb Kind
